## 2. Toxicology Assessment

Local toxicity: Phototoxic materials are not included in this formulation at levels of concern.

Nano materials are not included in this formulation.

The toxicological profile and concentration of ingredients in this product do not present a risk to human health when the product is used under normal or reasonably foreseeable conditions of use.

Margins of safety were calculated; the ingredients are considered safe.

The fragrances used (if applicable) are compliant with current IFRA standards at the level of inclusion in this product category.

Allergens in the final product: (Allergens declared >0.01% - Rinse Off), Benzyl benzoate, Benzyl cinnamate, Benzyl salicylate, Linalool.

### **3. Method of manufacture**

Heating up separately the water phase and the oil phase, mixing them with High-Shear mixing machine. Cooling down the emulsion, QC, TBC testing, Filling Containers, Labelling, Batching, Boxing.

### **4. Evidence of compliance with Good Manufacturing Practices (GMP)**

Hera Beauty Ltd and its management systems has been independently assessed and certified against the provisions of international GMP standards.

GMP Certified Manufacturer      Pr.N : 01 – 0104 – 1 – G      -      International Associates Limited.

### **5. Proof of the effect claimed**

No claims made.

### **6. Data on Animal Testing**

No testing on animals

### **7. Responsibility/Traceability**

#### **Responsible person**

Andrew Kennedy

C/o Hera Beauty Ltd

#### **Manufacturer**

Hera Beauty Ltd

#### **Person responsible for packaging**

Andrew Kennedy

C/o Hera Beauty Ltd

#### **Technical assessor**

Vasileios Karamalakis

MSc Chemical Engineer

Development Chemist, Hera Beauty Ltd

## 8. Labelling

Warnings: For external use only. Avoid contact with eyes. Keep out of the reach of children. Do not store in direct sunlight. The Labelling follows the:

- Cosmetics [Regulation \(EC\) No 1223/2009](#) of the European Parliament and of the Council.
- [Commission Regulation \(EU\) No 655/2013](#)
- [CTPA Guide to Advertising Claims](#)
- [Inventory of Cosmetic Ingredients](#) as amended by [Decision 2006/257/EC](#) establishing a common nomenclature of ingredients employed for labelling cosmetic products throughout the EU.
- Opinions on cosmetic ingredients of the Scientific Committee for Consumer Safety ([List of SCCS opinions](#) published on the internet).

## 9. Data on serious undesirable effects

None declared at the time of preparation of this document.

### **A. Handling and Storage**

No special handling techniques required.

Keep out of reach of children. Store in a cool dry place. Keep from extreme heat, cold & sunlight.

### **B. Exposure controls and personal protection**

No special personal protective equipment required.

### **C: Stability & Reactivity**

The product is stable non-reactive. Avoid strong oxidising agents.

### **D: Toxicological Information**

No acute or chronic toxic effects when used as directed.

### **E: Ecological information**

No ecological hazards are associated with this product. It is biodegradable.

### **F: Disposal considerations**

Dispose of product according to local and national regulations.

### **G: Transport information**

Non-Hazardous / Non-flammable. No shipping restrictions

### **H: Declaration of Allergens**

The customer should satisfy themselves that the product is suitable for the intended purpose, and that a suitable and sufficient assessment of any risks created by any activity using this product is undertaken before use. This information is based upon our knowledge of the product at the time of publication. The data is given in good faith and should be viewed as guidance only. This product sheet cannot cover all possible situations which the user may experience. We do not assume any responsibility and expressly disclaim any liability for any use of this product.

Should the customer request essential oils to be added to the product, it is the customer's responsibility to ensure any allergens are declared on the end user packaging.

### **I. Other Information**

This PIF Summary does not constitute a legal document. Customers who retail Hera Beauty products under their own label are responsible for ensuring that their packaging and labels are compliant with the relevant legislation in the jurisdiction of sale.

Any customers who modify or add to our standard products are responsible for ensuring their product complies with legislation requirements in their jurisdiction of sale and Hera Beauty accept no liability.

Any product marketed under private label must be registered with the CPNP and have a responsible person and registered address assigned to the brand that the product is being traded under.

To the best of our knowledge, the information contained in this document is correct.
